Membership

We have a new member proposal. Mark Hawthorne is a financial advisor at R.W. Baird. Mark and wife Christen live on Collingswood Rd. in Upper Arlington with their children.

Mark has been to three of our meetings. Get to know Mark soon.

Invite people to visit a meeting during May & June. We have had some great programs and there are more to come. AND we have great projects – so invite a prospective member to work with us on a service project. Remember, we need to sell ourselves, our projects and our club, otherwise, why would people want to join. When should you start – today. Who can you bring?

What We Are Doing

During the March Board meeting, we had a good discussion on membership ideas from a committee chaired by IPP Patti. Patti reported on a number of ideas and we are drafting possible revisions to our bylaws to reflect these.

We have been active, and are about to be more active. These activities include:

- 1. **Easter Egg Hunt:** Our annual Easter Egg Hunt for Special Needs Children & Adults was Saturday April 11th at Wyman Woods. As always, we had several dozen dyed, hard-boiled eggs for them to hunt. See the pictures on Page 2. Thanks to Jake Will for organizing this event.*
- 2. **Soccer season** started April 5th for the 1st – 6th graders and starts tomorrow for the kindergartners. George Falkenbach can use your help on the 18th and 24th for the kindergartners. We expect about 260 kindergartners. We have 1150 1st – 6th grade children now playing.*
- 3. **Scholarship applications** will be in this week. We will be giving eleven \$1500 scholarships again this year.*

NWK Club Notes

I understand that George Kirsch's wife Dot is doing much better and has been up and around.

Bob Miller was able to come to the Easter Egg Hunt. It was good to see that he is recovering from his accident.

It is good to have Jake Will and George Kirsch back at our meetings.

Upcoming Kiwanis Events

Tuesday April 21st – NWK will host the Division 10W Council meeting at BHoF Café.

Saturday April 25th – Kiwanis Mid Year Education Day
