Marilyn Coleman is talking with Wendy's Intl and KFC about having poster and collection box in every Wendy's and KFC in Ohio. This will increase the awareness of not only the project but the image of Kiwanis serving the children of the world. She needs help getting appropriate "picture" story (needs picture of child in car looking back at family while being "taken": away from family). I know that there are pictures somewhere but can't find them.

Mid Year Education Day NorthPointe 3/10

Information and registration forms will be available on www.ohiokiwanis.org Keynote Speaker Daniel Dorr. This special day offers you many opportunities to learn more about Kiwanis and ways to serve. It will be a great time for you to get the tools that you can use to grow your club, enrich your service projects, use technology, support Project Backpack, strengthen your leadership skills, learn about Service Leadership, and much more. There will be twenty-four educational forums, in four time slots, that will give you many new ideas that you can use in all areas of Kiwanis service. If you offered suggestions at the 2011 District Convention in Toledo, we have listened and will use many of them to plan the 2012 MY Education Day.

Reminder Early Registration has been extended until March 20th. Alan Penn is our OWN. We all worked hard to get him elected so go to New Orleans and support him! We need a large Ohio delegation there in New Orleans to support Kiwanis International President Alan Penn as he conducts the convention this year.

The convention opens in New Orleans on Thursday, June 28, 2012, with the closing ceremony Saturday afternoon, June 30. You may register online at Kiwanisone.org using a [credit](#) card. You may then choose one of the KI Convention hotels or book a room by any others method convenient for you.

Some forums/seminars are offered on Wednesday afternoon as well as on Thursday, Friday, and Saturday. You will have an opportunity to learn all about the Eliminate Project as well as information concerning all aspects of Kiwanis programming and administration. Others opportunities are provided for entertainment, motivation, and fellowship with Kiwanians from all parts of the world.

We would like all Ohioans to dress in red shirts at the delegate sessions (and any other convenient times). Red shirts with Ohio Kiwanis identification are available. See Ohio District's booth at the Mid Year Education Day or attend our Forum beginning at 3:30 PM at the Mid-Year Education Day for more information.

Direct questions to Al Allender, Ohio District On To Convention Chair at (740) 392-8471 or by email at ajallender@embarqmail.com. Cell phone is (740) 507-4274

Thank you all for sending me pictures and news. Keep it coming. This is YOUR 10 W Newsletter.

Greetings Ohio Gov. Bill

Cheryl and I want to thank you for the warm Kiwanis welcome we received at our official visit to the "10's". The fellowship you have, and service you do in your communities, is truly special. Service is your club's legacy – I encourage you to continue building that legacy! We are the only ones who can do it for our own clubs. I am passionate about service, and that is why I am passionate about membership – it is the only way we can continue our service. Please know that your service as Kiwanians is recognized and does make a difference in the lives of the children in your community and in the world. REMEMBER: YOU ARE THE KEY – TO YOUR CLUB'S SERVICE, TO YOUR CLUB'S SLP, TO YOUR CLUB'S GROWTH & TO YOUR CLUB'S SUCCESS.

There is much going on the next four months for our members. On March 10th, there are great forums on membership, SLP, service, and a terrific keynote speaker plus a lot of fun at Mid Year Education Day. Kiwanis OneDay, The Key Club DCon and Key Leader are in April. And June 28th – July 1st, we have the Kiwanis International Convention in New Orleans. We need a large group there to support the International President, our own Alan Penn, and first Lady Jeri. We are planning a thank-you reception for Alan and Jeri on Thursday the 28th at a venue close to the district hotel. More information to follow soon. We look forward to seeing you there.

We truly appreciate your generous support of Project Backpack (the First Lady's project) and the international service project to Eliminate Maternal/Neo-natal Tetanus (MNT). I hope that each of you will continue to be supportive of these special projects. They will truly help the children of Ohio and the world.

The district is here to serve you, so my offer to help on one of your club's projects still stands. Contact me. We will try to join you in service. Thank you for giving Cheryl and I this opportunity to serve you.

Greetings Lt Gov. Joe

Wow. We are very close to the halfway point in our Kiwanis year. I have greatly enjoyed visiting all your clubs and forming new friendships. I am truly impressed by the tremendous amount of service that you all do for your communities. Remember that you are the Key! More members mean more service and more friendships.

The Mid Year Educational Conference is coming up on Saturday March 10th at The Conference Center at North Pointe in Lewis Center. There will be many presentations that will help you get more bang for your Kiwanis buck, opportunities to network, get

ideas from other clubs, and enjoy Kiwanis Fellowship. You can register online at the Ohio District Kiwanis website. I hope to see representatives from all the clubs in Division 10W.

Thanks so much for your response to the First Families Backpack project. Keep on collecting items for inclusion in the backpacks. Please consider a fundraiser to provide funds for needed items. Some clubs have been successful in setting up collection bins at local businesses.

Craig Smith the Division Chair for the Eliminate project has been busy delivering the important information about the project and how it so positively effects the women and children of the world. Please continue to work to support this project. We have made an impressive start but need to keep the ball rolling. If your club has not scheduled a time to listen to Craigs presentation please do so.

I am hoping to have the Division Prayer Breakfast in May this year. If your club is interested in hosting the breakfast please let me know.

The savings deadline for International Convention has been extended. We really need a large contingent of Ohio Kiwanians in attendance to support President Alan Penn during this convention. Please consider making the trip to New Orleans. Kiwanis International has a tremendous program planned and New Orleans sure is a great venue! Each club can send two voting delegates, but any member is free to attend and enjoy! Thanks for all your kindnesses!

Lt. Gov. Joe Sonderman

Greetings K I President Alan Penn

I am looking forward to seeing you at our 97th Annual Kiwanis International

Convention in New Orleans, Louisiana. A ***full agenda*** of activities and educational opportunities has been created to enhance your convention experience and renew your excitement as we continue to serve the children of the world.

A successful international convention also requires the assistance of many volunteers. Specifically, we are in need of volunteers to support the Sergeant-at-Arms (SAA) Committee, and traditionally lieutenant governors have made up the majority of SAA volunteers. Sergeants-at-arms provide logistical assistance and support for the general sessions, forums and other convention-related events. Duties may include roles such as greeter, usher, traffic control or general "go-to" person. The volunteer shifts are very concise and would give a volunteer time to attend and participate in all convention events.

Please complete and submit the **[Sergeant-at-Arms Committee form](#)**.

Thank you for supporting the Kiwanis International convention!

Yours in Kiwanis, **Alan Penn Kiwanis International President**
